Magnum Shipping Services Established

Magnum Shipping Services has been providing exceptional supply chain logistics and nomination of cargo since its establishment in 1998. Over the years, we have grown into a leading logistics provider, with a strong reputation for reliability and excellence

2006

Magnum Enterprises Established

In response to the changing needs of our clients, we established Magnum Enterprises to provide specialized logistic consultancy services. We recognized the importance of staying ahead of the curve and keeping up with the latest trends in the logistics industry.

2021

Nbyte Enterprises Private Limited Established

As the demand for supply chain logistics continued to expand, we identified an opportunity to focus solely on the cargo of SEZ (Special Economic Zone) and warehousing of international-bound cargo in free trade warehousing zones. This led to the formation of Nbyte Enterprises Pvt Ltd.

Today, Magnum Group of Companies comprises Magnum Shipping Services, Magnum Enterprises, and Nbyte Enterprises Pvt Ltd. In 2021, we established Nbyte Enterprises Pvt Ltd to cater to the unique needs of international organizations seeking tax and duty exemptions, as well as reduced logistics costs.

Our mission remains the same: to provide our clients with exceptional logistics services that exceed their expectations. We continue to invest in cutting-edge technology, innovative solutions, and a highly skilled team to ensure we meet the ever-evolving needs of the logistics industry.
